

GET READY!

We're excited you are living on campus this year! Here's what you need to know to make Move-in Day easier.

Before you arrive to campus

Log into MyHousing in the MyShip portal. View your housing assignment and roommate information before Thursday, August 24.

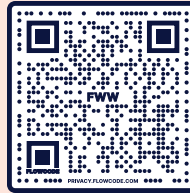

Pack—and don't forget your SU student ID!

Our Move-in Day crews are eager to help you! We've included labels for your larger belongings to ensure your items make it to the correct room. The labels will help crews quickly identify where to deliver your items. Fill out the information on each label as soon as you confirm your housing assignment in the MyHousing section of the MyShip portal. Visit ship.edu/what-to-bring for a list of suggestions as well as items not to bring.

If you haven't already, register for Fall Welcome Week.

Scan the QR or visit ship.edu/fw to view the schedule and to register.

Fall Welcome Week is a long standing tradition for all new students to kick off their Ship experience. You don't want to miss this exciting lineup of events and time to connect with your new Shipmates. Required events will be listed on the Fall Welcome Week schedule.

Bringing a vehicle? You must complete the vehicle registration and payment online at parking.ship.edu before move-in day.

When you arrive on campus

Check into your residence hall and move in! (View schedule for times ▶)

We organize check-in times by hall and home zip code. Directions to campus, as well as your check-in time, are on the back of the enclosed **RED** and **BLUE** cards. Campus police and volunteers will be ready to help direct you. To expedite this process, please place the **BLUE** card on your dashboard if you are moving into Kieffer, Lackhove, Harley, or McCune halls. Place the **RED** card on your dashboard if you are moving into Seavers, Naugle, or McLean halls. *Please have ID available—your student ID (if you already have it), a driver's license, or any other photo ID.*
