# TRANSITIONING TO SHIP

3

SHIPPENSBURG UNIVERSITY

## What to Expect: College vs. High School

- Increased self-motivation and responsibility
  - You should know assignment due dates and meet deadlines
  - More independent work outside of class
- High School Teachers vs. Professors/Faculty
  - High school teachers are trained in teaching and then learn their subject areas
  - Professors are experts in their subject fields & are expected to research, publish, and teach.

4

## What to Expect: College vs. High School

- Classes are more intense
  - More independent reading & learning
  - Often responsible for content not covered during class
  - Students usually report “you actually have to study for tests/quizzes/exams” compared certain HS experiences

High School	University
1 Year	1 Semester
5 classes/ 35 week	3 class hours/ 14 week
175 instruction days	42 instruction days

1 college class = content of **4** high school classes

15 credits = 40 – 60  
hours of work a week!
